This Policy is intended to establish guidelines and procedures for the implementation of the state statute authorizing the concealed carry of handguns on the premises of South Plains College. These rules and regulations were established by the president of South Plains College in consultation with faculty, staff, and students and reviewed by the SPC Board of Regents.

This policy will become effective August 1, 2017 and is intended to be in conformity with the requirements of Texas Government Code Section 411.2031.

## **POLICY/PROCEDURE**

### **1. Definition**

**a.** Campus – all land and buildings owned or leased by South Plains College as lessee.

**b.** Premises – a building or portion of a building.

**c.** Handgun license holder – an individual licensed to carry a concealed handgun under Subchapter H, Chapter 411 of the Texas Government Code ("Chapter 411"). Generally, such an eligible individual must be at least 21 years of age, not have a criminal record as defined by the code, and meet certain education and proficiency requirements.

Chapter 411 contains some exceptions to the age requirement (e.g., ex-military personnel).

**d.** Concealed handgun – a handgun, the presence of which is not openly discernible to the ordinary observation of a reasonable person.

**e.** Exclusionary zone – any premise in which the carry of a concealed handgun is prohibited by virtue of Texas statute or these rules.

**f.** Secure Storage – a locked vehicle or a locked gun safe.

## **2. General Provisions**

**a.** Subject to applicable Texas or federal laws and rules adopted by the College, individuals holding a valid Texas Concealed Handgun License (CHL) or the new state designation for the same, License to Carry (LTC), will be allowed to carry their handgun, concealed on their person, on the campus of South Plains College.

**b.** Pursuant to Texas Penal Code Sections 46.035 and 30.07, the open display of a handgun in plain view of another person on South Plains College property is never allowed except by an authorized individual such as a peace officer while in the actual discharge of his/her duty.

**c.** While South Plains College will employ all reasonable means to delineate exclusionary zones by signage in accord with Texas statutory law, it is the responsibility of the permit holder to know, understand, and follow these rules and applicable laws while on the campus of South Plains College. Holders of such permits are bound by state and federal law and may face criminal or civil penalties for violation of those statutes.

**d.** Authorized permit holders are not required to disclose their concealed carry license status to anyone other than a law enforcement officer. The College will not maintain a list of concealed carry license holders. This information is not a matter of public record. South Plains College employees (other than law enforcement officer) may not, under any circumstances, require students or employees to disclose their concealed carry license status.

**e.** When not carried on or about a person, handguns must be in a locked personal vehicle or a locked gun safe. Gun safes must meet

the following requirements: 1) be large enough to fully contain all firearms placed in it and provide for secure storage; 2) have exterior walls constructed of a minimum 16- gauge steel or equivalent; 3) have high-strength locking system consisting of a mechanical or electronic combination or biometric lock, and not a key lock; 4) be certified to/listed as meeting Underwriters Laboratories Residential Security Container rating standards by a Nationally Recognized Testing Laboratory (NRTL).

### **3. Specific Exclusions to Concealed Carry of a Handgun**

**a.** Exclusionary zone – The College president is the only person with the authority to declare a specific premise or venue as an exclusionary zone. Therefore, except as provided herein, without the express written consent of the president, no faculty member, staff member, student, or student group may exclude a specific premise or venue as “off limits.”

**b.** Exclusion by law – Texas statutes outside of Texas Government Code Section 411.2031 separately provide exclusions of certain premises or events, which provisions are hereby incorporated. Under such laws, concealed carry is prohibited from the following premises or locations:

- Where a high school, collegiate, or professional sporting event or interscholastic event is taking place, including SPC athletic events;
- Where any UIL sanctioned competition is being held;

**d.** Other specific premises or venues may be declared “off limits” by the College president.

Adoption of exclusion for a premise or venue must be reasonably justified. The requestor must provide evidence that a concealed

handgun on that particular premise or venue creates some special danger. Requests for exclusion must be provided in writing to the Office of the President at least 45 days prior to the date of the event.

**e.** To assist in the process of approving exclusions, a standing committee titled the Campus Carry Committee will be established. The committee will be charged with reviewing requests for exclusions and making a recommendation to the SPC president concerning the request. The chair and members of this committee will be appointed by the president and will include representatives from faculty, staff and the Student Government Association, as well as representatives from the Office of Student Affairs, the Office of Human Resources, and the South Plains College Police Department.
